Tioga Opportunities, Inc.'s Family Health Clinic has medical staff available to test and treat you for common cold symptoms (like a fever, sore throat, earache), and to provide support for any reproductive health care needs (such as birth control, pregnancy testing, testing/treatment for sexually transmitted diseases, etc.).

Tioga Opportunities, Inc.'s Family Health Clinic is **NOT** able to provide emergency care (such as for broken bones, chest pains, or injuries) or care for chronic, on-going health problems (like diabetes, high blood pressure, etc.).

If you are experiencing a **health emergency**, such as, but not limited to, the following:

- Shortness of breath
- Chest pains
- Abdominal pain
- Pregnant and having contractions
- Possible broken bone
- Injury requiring stitches

Please go directly to the Emergency Department at a local hospital (i.e., Guthrie—Robert Packer, UHS, Lourdes). If you need help getting to a hospital, please let us know and we will call an ambulance.

By signing below, you agree that you are aware of and understand the limitations of Tioga Opportunities, Inc.'s Family Health Clinic in providing medical care for emergencies or chronic, on-going conditions.
